

## CROYDON CAMERA CLUB ANNUAL EXHIBITION 2008

### Guidance Notes - PRINT Entries

The Dorrett Cup will be awarded for the most outstanding panel of prints, (excluding communal prints) and the Cundell Trophy for the best print in the exhibition. A further trophy will be awarded for the print judged as the runner-up to the best.

Please ensure that your prints are numbered and carry the following information on the back:- your name, class, title, number. *In order to reduce the risk of errors in the catalogue, which is compiled from the information on the Entry Forms, it is important that the titles, etc. on the entry form agree with those on the backs of the prints.*

To avoid possible damage, please ensure that your entry is suitably packaged when handed in. **Please also provide, on a separate sheet of paper, a hanging plan for your main display board. The display board size is 6ft by 3ft.**

Print entries that would not need a full display board may be allocated half a board, at the discretion of the Exhibition Committee.

Prints entered into any previous CCC competition other than an Annual Exhibition ARE allowed.

The rule on digital work means the inclusion of clip art, stock photos, etc. is NOT allowed. If another person helps with the production (e.g. printing), we trust our members will not allow this third party any creative freedom!

If appropriate, exhibitors may provide an overall title for their total print entry—excluding any communal prints—(see entry form).

Please do not completely fill the whole area of the display board as there is other material which has to be added.

All club members will be provided with a catalogue of the exhibition.

*If you have any questions about your entry, please ask a committee member.*
